Dear Mr. Garpiel:

I would like to take a moment to offer a note of appreciation for your crew's efforts on the Flying J Travel Plaza Project located at 34375 E. Washington, Saginaw, MI. Please accept our thanks for a job well done, and my project superintendent; Jef VanDusen extends his sincere thanks as well. It seems as though sometimes we can't find the time to recognize our quality subcontractors as much as we would like. The landscaping work on this project went extremely well, and you and your firm were a pleasure to work with. I look forward to using your firm as much as possible in the future. I wish you all safety and success in this new year.

Sincerely,

Steve Taylor
